EXT- FIORE at April 2999.

The VIEW around of the FIORE, it is looked slowly. FIORE is name for the oldest city that exists at moment, it is ruins and all of houses are made with brown rock.

On a city's street, into a strange room (going down stairs carefully) where the darkness domain and FLAVIUM is. For many years people have searched FLAVIUM which is a powerful purple-glow artifact and provides infinite energy but that's a story.

The world is split in two parts, one of them belongs PURPLE PEGASUS (is like a country) and the other belongs GREEN ANGELS (is like a country too). First half plans obtaining FLAVIUM to use in technology development and Second half only wants to use the energy how resource.

GENJI INTO HIS ROOM imagines (happily) himself holding something glow in his arms...

INT- CONTROL room of PURPLE PEGASUS in the morning.

MAP is big and in 3D... It spins around its own axis slowly.

They send message to army of PURPLE PEGASUS. Choose their best soldier, explain mission and appoints the date that he does it.

ZACK read instructions about mission feeling confident...

INT- CENTRAL room of GREEN ANGELS in the morning.

The leaders send message too SAMUS soldier, their best soldier

INT- CONTROL room of PURPLE PEGASUS at 1:00 am in the next day.

GENJI tries running through the servers, it is not illuminating, the master computer denied access to GENJI but he never surrendered with a cupcake wondering the answer... at the end master computer show all data to GENJI so he knows where FLAVIUM is.

EXT- At the mountain that covered FIORE (around of it has plenty trees like forest)

The day is warm and quit.

At top- PURPLE PEGASUS' ship flies with ZACK and two partners, after they land ship and start to break the ground due to make a pipeline.

At down- GREEN ANGELS' motorbike arrive with SAMUS and two partners, they see an enormous-gold door curiously.

At opposite place that GREEN ANGELS- GENJI is front of another enormous-silver door, he enters code and then the door opens. He passes, don't see very well cause dark but he keeps calm. After, he opens gold door by the time SAMUS across door noting a note that says "Genji was here :3".

Into mountain the weather is sun and arid, but it likes that was two suns. The magic is in the air. Its energy is unknow.

SAMUS looks at note carefully while is trying to remember GENJI, her partners enter, and she follows them. As soon as they are on street they find a lot of messages and clues that were made by GENJI, into some houses. Finally, SAMUS remembers who is GENJI after thinking one moment while see the magic sky.

ZACK going down using a rope into a pipeline (for a lot of time) that was made by them, he is anxious and annoyed but is so excellent actor.

EXT- At the oldest house of FIORE in midday

The light continues being a mysterious, but it is enough good to illuminate.

GENJI watch a big map drown on a center wall, he scans it, the he thinks redecoration of map is a fantastic idea to give happiness to SAMUS, few minutes after that SAMUS see 'new' map and she lose the head, her angry face is scary.

GENJI walks and whistle, his foot crash into a rock and he falls to upstairs... the stairs hit him slowly, in fact is so fun. He stands and shakes, the light is low, but his attention is robbed, he finds FLAVIUM that is purple-shining.

GENJI carries FLAVIUM and goes upstairs with a big smile.

EXT- At top of FIORE same hour

ZACK is watching intensity CITY when he sees GENJI leaves, then ZACK cut the rope and falls from sky to floor fast and he injures himself.

EXT- On a street of FIORE 40 minutes after that

The wind is light, the sun is warm and can feel comfortable.

ZACK blames GENJI for all using his finger, both prepares for fight and runs one to one (GENJI still carries FLAVIUM), immediately SAMUS appears and stops guys using her guns.

FLASHBACK 1- At school's garden, the weather is perfect to play in midday.

GENJIA and ZACK are playing with sticks and SAMUS lambastes them how a mom.

EXT- At moment (on street of FIORE)

GENJI try to hug SAMUS and ZACK but he fails, he drops FLAVIUM... They cannot believe it.

FLASHBACK 2- In the park near their old SCHOOL

GENJI is breaking things by accident, so he is too worried.

FLAVIUM breaks in many parts and each of them lose its purple light (can hear a funny sound), see a small piece of paper, ZACK takes it and reads content... that says, "The infinite energy is the eolic energy".

SAMUS falls herself to ground, she is tired but overall she is confused about everything, ZACK look both (SAMUS and GENJI) putting two own fingers like captain signal to say 'bye', he turns and walks slowly.

SAMUS watch how to disappear ZACK then she understands ZACK's signal and starts to smile when note a piece of paper sticks on her shoulder, she takes it, and reads... it says "Mercenary want to be here 7u7"

SAMUS feel rave but she starts to smile again.
